[Contact](#)

I'm Danielle Capelli. I am a passionate and innovative UX/UI designer with an eye for detail and a strong focus on creating exceptional user experiences. I have developed a deep understanding of the intersection between design, technology, and user psychology.

My design process is driven by a user-centered approach, where I conduct thorough research and analysis to gain insights into user behaviors, pain points, and motivations. By using this understanding, I create wireframes, prototypes, and interactive
